Welcome to **SENSORY** Spa & Wellbeing

Redefining the traditional spa experience at Pan Pacific London, our Wellbeing journey was created and designed on three pillars:

For guests to experience our unique 360 degree and meaningful wellbeing approach, we have further enhanced the methodology by capturing and combining Physical, Treatment, Recovery, Nutrition and Sleep to make it one of the most advanced wellbeing concepts in any hotel globally.

These pillars and services allow us to provide our guests with real-time live feedback, knowledge and continuity through this innovative wellbeing journey.

Sincerely yours,

Robbie

SENSORY Sleep

At the heart of this experience is the revolutionary Chilipad – your personal climate control system for better sleep. By precisely regulating the temperature of your bed, the Chilipad helps unlock deeper, more restorative rest. Its advanced control unit circulates temperature-controlled water beneath you, working in harmony with our weighted blanket to create the ultimate sleep environment. Say goodbye to restless nights - this powerful duo supports falling asleep faster, enhances Deep and REM sleep, sharpens mental clarity and aids in full-body recovery.

The Chilipad allows you to schedule personalised temperature settings ranging from 13°C to 46°C (55°F to 115°F).

Studies show the ideal sleep temperature ranges between 15.5°C and 20°C (59.9°F – 68°F), with 18°C (64.4°F) often being the sweet spot.

Cooler temperatures encourage your body's natural drop in core temperature, a vital trigger for falling asleep and entering deeper sleep cycles. They also support melatonin production and may even help reduce the risk of metabolic conditions.

To get the most out of your wellbeing experience, why not combine with an overnight stay and enjoy our sleeping programme, please ask a member of the team for a room rate.

£150 per night

LATE POLICY

If arrival is delayed, we will make every effort to accommodate your full appointment, however this is not always possible. Service time may be abbreviated to avoid delays for other customers. Late arrivals of 10 minutes or more that we are unable to accommodate will be charged 100% of the treatment value. Last-minute changes to appointments will be honoured only if a service appointment is available for a later time on the day of your appointment and other customers are not inconvenienced.

DIGITAL DEVICES

In consideration of other guests' right to privacy and serenity, it would be appreciated if you would turn off or silence your digital devices and secure them in your locker during your time with us. Taking photos or filming in any guest area without prior approval is prohibited.

MINIMUM AGE REQUIREMENTS

Guests must be at least 16 years of age to utilise many of the facilities within the **SENSORY** Wellbeing Floor. Any guests up to 16 years old must be accompanied by an adult (18 years and above).

PETS

No pets are allowed on the **SENSORY** Spa & Wellbeing Floor, with the exception of licensed guide dogs accompanying person(s) with a disability. When making any reservations, please confirm if a guide dog will be accompanying the guest and they will be met in the hotel Lobby and accompanied to the **SENSORY** Spa & Wellbeing Floor. Thereafter the guide dog will be led by a Security associate to a secure area within the premises that is equipped with pet necessities - bowl, mat and pet goodies and will be waiting for the guest on the Wellbeing floor before they leave.

GUEST CARE

Our ethos is to offer a holistic wellbeing journey for you. Please feel free to contact us in advance or speak to one of our associates on arrival for any assistance or information (wellbeing.pplon@panpacific.com).

Your feedback and suggestions are very much appreciated.
