

Surrounded by picturesque views of our gardens and the sea, Cinnamon Asian Kitchen is a casual and modern restaurant serving local and Asian culinary delights in an inviting ambience.

With an emphasis on fresh ingredients and our generous use of spices and herbs, Cinnamon Asian Kitchen serves up the secret flavours of authentic local and Asian cooking. Cinnamon, as our favourite spice, has even inspired us to name our restaurant, Cinnamon Asian Kitchen.

Our Chefs have specially curated a wide selection of authentic fare, from Penang's famous street food to popular Asian delights with a flavourful twist. Apart from our distinctive all day a la carte menu, diners can enjoy weekend buffets featuring an extensive selection of local and international favourites, as well as a wide array of delectable desserts.

Choose a table in the outdoor dining area and let the scenic surroundings complement your culinary experience. A communal dining table is also available for socialising with other guests or to accommodate a big group.

Cinnamon is also known as "Kayu Manis" in Bahasa Malaysia. This aromatic spice is widely used in Asian and Western cooking in sweet and savoury dishes. Its medicinal benefits have also spanned thousands of years.

For our guests with **dietary preferences**, whether **low salt** or those who prefer a **plant based** or **vegan diet**, our chefs can amend many of our menu items to suit your preference. Please look at symbols next to the specific items or let your server know how we may make your dining experience more enjoyable
